

Mary Washington College

Volume 6, No. 1

Summer 1980

T O D A Y

Dear Alumni and Friends of Mary Washington College:

The 1979-80 Mary Washington College Foundation Annual Fund established a new record—for the first time it exceeded \$100,000. This is indeed progress, a 23 percent increase over the 1978-79 contributions.

My personal thanks and those of the College are extended to the many alumni, students, parents, friends and corporations who supported the 1979-80 Annual Fund.

It was especially gratifying to receive approximately \$7,000 from the first Parent's Annual Fund solicitation. This is a clear reflection of the dedication and effective work of the newly created Parents Council.

Contributions from the alumni of the College accounted for two-thirds of the funds received. This loyal support from both individual alumni and the several alumni chapters shows their widespread interest and concern for the College. The alumni are congratulated for their contributions.

A special note of thanks is extended to the more than 60 businesses and corporations that participated in the Annual Fund. This is a growing area of support for the College and a most welcomed one.

In addition to acknowledging with deep appreciation the participation of faculty, staff and students in the annual giving drive, deep gratitude is conveyed to those friends of the College who were most generous in their financial support. It is hoped that each of these fine individuals will visit the campus often and participate in the many cultural programs that the College offers.

As Mary Washington College enters the decade of the 80's, it is most important, and indeed essential, for the Annual Fund to soon reach the point of providing a minimum of \$300,000 in support of the College. I believe that a 1980-1981 goal of \$200,000 is obtainable, and I am confident in the immediate years ahead the ultimate goal can be achieved.

Let me tell you why I am confident that \$200,000 is a realistic goal for next year. For Mary Washington to maintain its level of academic excellence in these inflationary times the College must continue its Regional Scholarship Program; it must provide support for faculty advanced graduate study, participation in professional meetings and publications; it must bring distinguished scholars to the campus for lectures and informal association with students; it must protect the quality of its library holdings; it must continue its special academic advising programs and counseling services; and it must maintain its unique role as the State's distinguished small undergraduate residential College of liberal arts and sciences.

Mary Washington College cannot meet these needs from funding received from the Commonwealth of Virginia. In 1980-81 a minimum of \$200,000 in private giving is needed to supplement State support.

As I again thank you for your 1979-80 contribution, I ask that you support the College to the maximum in the years ahead.

Sincerely,

Prince B. Woodard
President

Join the President's Club

The President's Club, the most prestigious of Mary Washington's giving clubs, has been established to honor the leading annual contributors to the College. Membership in the Club is accorded on an annual basis to those who contribute \$1,000 or more to the Mary Washington College Foundation Annual Fund. The membership drive coincides with the Foundation's fiscal year, this being July 1 through June 30.

Recommended by the Director of Development and President of the College, the MWC Foundation endorsed the establishment of the MWC President's Club in recognition of the critical importance of major gifts to the College and as a means of providing special tribute to its major contributors.

Members of the President's Club will be invited annually to a special President's Club reception and dinner with President and Mrs. Woodard; will receive complimentary admission to campus cultural events such as concerts, plays and lecture series; will be invited to meet with distinguished visiting scholars in a social setting; will be provided special parking privileges on campus; will receive periodic reports from the President on events or issues of major importance and significance to the College; and will receive special recognition in the annual fund report.

Medical Book—A Rare Gift To Trinkle

A rare medical book, valued at more than \$17,000 was donated to the E. Lee Trinkle Library by Dr. Gordon W. Jones of Fredericksburg.

The book, *Adriaan van de Spiegel's Opera Qua Extant, Omnia* (Amsterdam, 1645) will be added to the Woodward Collection of rare books. In acknowledging the gift, Librarian Ruby Y. Weinbrecht said the book will be of great interest "to the faculty members in biology and other scientific subjects, as well as to students in premedical studies and other biological courses."

A bookplate acknowledging Dr. Jones's gift was placed inside the book.

Foresighted Alums Insure Program

By Mary Carson
Director of Alumni Affairs

Molly Vaughan Parrish '79, former member of the Board of Visitors of the University of Virginia and chairman of the Mary Washington Committee, passed away in February of 1979. Because of Mrs. Parrish's foresightedness, the Alumni Association received a gift in the amount of \$1,244.71. This gift was the proceeds accrued under the Association's Quest XX Life Insurance program. The funds from this gift were used to help finance the visit of Mary Leakey, Distinguished Visitor at Mary Washington College in 1980.

Originally, it was hoped that Quest XX would bring in enough funds to endow a faculty chair. Forty-three members of the Alumni Association bought life insurance policies totaling \$66,000. Currently, there are 34 policies still in force for a total amount of life insurance of \$57,000. The original dream to endow a chair is not attainable; however, all funds received under this program will be used towards the Distinguished Visitor in Residence program.

For this generosity shown to the Alumni Association, we say a special word of thanks to Molly Vaughan Parrish and to all the active alumni who are participants in this program.

MWC Foundation—Furthering Excellence in Education

You are encouraged to make your annual gifts payable to the Mary Washington College Foundation, a tax-exempt educational foundation. Its purposes are to receive, hold, invest, administer and distribute funds and property of all kinds exclusively for the furtherance of the educational activities and objectives of Mary Washington College.

The Mary Washington College Foundation is a non-stock, non-profit corporation chartered by the Common-

wealth of Virginia in February 1975. The affairs of the corporation are managed by a 30-member Board of Directors, on which the Rector of the Board of Visitors, the College President and Vice President for Fiscal Affairs and the President of the MWC Alumni Association serve as ex-officio members. The 26 remaining members are elected from the Board of Visitors, the MWC alumni and other friends of the College.

About This Report

The dollar amounts shown in this report reflect only those gifts received directly by the Mary Washington College Foundation in support of its Annual Fund Campaign. All other gifts donated directly to the College in various forms by friends and loyal supporters are accorded individual recognition through special commentaries.

Alumni Giving

Individual alumni participation was down 2% from a record high last year of 23%, however, the average alumni gift of \$27.60 and contributions of \$73,983 accountable to alumni support established new standards.

Golden Club

Some 25% of the overall membership made possible a record collective gift of \$5,000. Mary Washington is pleased to acknowledge its gratitude to these dedicated graduates of more than 50 years standing for their continuous and loyal support over these many years.

Parents Fund

A very enthusiastic MWC Parents Council engaged in an energetic fund raising campaign. Several on-campus and off-campus telethons were conducted as follow-ups to mail appeals directed to all parents of undergraduates through correspondence and several newsletters. The parents responded generously with gifts totaling \$6,426, up 600% over last year. The funds realized will be equally

divided to renovate and equip the typewriting room and to purchase electronic equipment for the new student pool-room lounge.

Students

Another record breaking annual gift was received from our resourceful undergraduates who through bazaars, auctions and private sources contributed \$2,616.

Reunion Giving

A total of \$14,850 was contributed by the classes celebrating their five year reunion anniversaries this year. New reunion giving records were set by the Classes of 1930, 1955, 1965, 1970 and 1975. All reunion classes are encouraged to appoint special gift chairmen on the occasion of their upcoming anniversaries. Special recognition has been earned by the following Class Agents whose fund raising efforts and special letter campaigns this year challenged and moved their classmates to meet predetermined dollar goals:

Evelyn R. Woolfolk '30
Ruth E. Lewis '35
Mary W. Dull '40
Dorothy H. Gawley '50
Carole K. Bryson '55
Judith Saul Kraft '75

Telefunds

Undergraduates of Mary Washington conducted telethons over a three week period from George Washington Hall. Both alumni and students reported as having gained great satisfaction from these two way conversations. Richmond and Peninsula Chapters under the able direction of their respective chairmen, Helen Conte and Patti Jo Anderson, held their independent telethons on

Sunday afternoons. The college was the richer from the telethons by 526 pledges for \$10,000 and by 655 pledges for uncommitted dollar amounts, and in addition, benefited from the results of the repartee enjoyed by all parties. All chapters are encouraged to take advantage of this excellent opportunity for improving and updating communication links annually with the local alumni residing in their areas.

Corporate Matching Gifts Top Previous Year

More and more donors are taking advantage of employers' willingness to match their contributions, dollar for dollar, or in some instances on a two or three to

one basis. Our thanks to the 60 corporations whose philanthropy added \$6,577 to our annual fund, up 29% over last year's figure.

These records established over the past six years reflect the willingness of classes to increase the level of their collective giving on the occasion of each Five Year Reunion. In addition to offering a challenge for each successive reunion class to surpass, this year's special reunion gifts representing 20% of alumni support will play a dominant role in satisfying some of the college's urgent needs.

Cross Fund Up by \$3,000

Mary Washington College wishes to acknowledge its appreciation to Mrs. Richard S. Cross for her most recent gift of \$3,000. Mrs. Cross, a former member of the Mary Washington College Foundation Board of Directors, established the Richard S. Cross Awards for Undergraduate Research in 1973 in memory of her late husband, Richard S. Cross, a former member of the Mary Washington College Board of Visitors. Her series of gifts to this fund have afforded numerous undergraduates of the College the opportunity to expand on their learning experiences through independent research.

Giving Clubs

Mary Washington's ability to meet the challenges of the 1980's is conditioned on increased categories of giving by alumni through a progressive movement upward to the next level in keeping with improved personal financial capabilities. Our track record is noticeably low in terms of the magnitude of individual gifts. Membership by alumni in the giving clubs indicates that less than 3% (294 of 12,122) on the rolls, or from this years donors, only 12% qualified for membership through a gift of at least \$50. The figures for alumni only which follow emphasize the need for improvement in the dollar value of individual philanthropy:

Gifts In Memoriam (\$6,265)

When an alumnus, friend, or faculty member who is devoted to Mary Washington College dies, his relatives, friends, business associates and classmates may take pleasure in making a gift to the Annual Fund in his or her memory. Such personal tributes not only memorialize the deceased but also perpetuate what they know to have been the deceased's interest in the College. It is with gratitude and pride that the following gifts of remembrance were received by the Mary Washington College Foundation:

We've Changed

This issue of Mary Washington College Today deviates somewhat from issues of the past few years. In an effort to lower costs, the Editorial Board decided to print this Annual Report issue in a tabloid format and prepare the fall, winter, and spring issues in the magazine format. We are hard at work on the fall issue now, with articles being written on new athletic facilities at MWC and on the recent developments in the alumni recruitment program.

If you would like to comment on this or any issue of MWC Today, please write The Editor, MWC Today, Mary Washington College, Fredericksburg, Virginia 22401.
